Intuit's TurboTax Online and Mint.com Available in Google Chrome Web Store

SAN DIEGO--(BUSINESS WIRE)-- As Google launches the Chrome Web Store today, Intuit ([Nasdaq:INTU](#)) is making its premier tax and personal finance services immediately available to Chrome users.

Now, the more than 70 million users accessing the Chrome Web Store through Google Chrome can "install" [TurboTax Online](#) and [Mint.com](#) from <http://chrome.google.com/webstore/> which makes these Intuit online services available via a convenient shortcut.

"The Chrome Web Store gives Intuit a way to reach new customers and provide more choices for our existing customers to use our products," said Caroline Donahue, senior vice president of sales and channel marketing at Intuit. "As more activity is moving to the cloud, we want to offer customers access to Intuit products in whatever way makes it easiest for them to manage their finances and [taxes](#)."

TurboTax, the nation's best-selling [tax software](#), helps more than 20 million people a year easily and accurately claim every deduction and credit they're entitled to, so they get their biggest tax refund possible. This year, TurboTax automatically transfers even more essential tax information into [tax returns](#) for greater ease and accuracy. Customized guidance, recommendations and answers give customers the confidence that their [taxes](#) are done right.

[Mint.com](#) is the leading online personal finance site. This award-winning tool is already used by more than 4 million people and is so effective that more than 90 percent of users say they have changed their financial habits as a result of using the service. Mint.com allows users to see all their financial accounts in one place, makes it easy to set and keep to budgets, and helps identify money saving ideas.
