To help make sure that customers don't leave a single dollar on the table, TurboTax automatically double-checks taxpayers' returns as they go, searching for every deduction and credit for which they are entitled. In addition, credentialed TurboTax tax experts, all CPAs and enrolled agents, are available by phone to all TurboTax Online and mobile customers for free. It's never been easier or faster for taxpayers to get their [taxes done right](#) for free.

TurboTax understands that people work hard for their money and that every dollar is important.
