## Intuit CTO to Participate in the Morgan Stanley Cloud Computing Symposium

MOUNTAIN VIEW, Calif.--(BUSINESS WIRE)-- [Intuit](#) (Nasdaq:INTU) Senior Vice President and Chief Technology Officer, [Tayloe Stansbury](#), will participate in an executive panel discussion at the Morgan Stanley Cloud Computing Symposium in New York on Tuesday, May 25. Stansbury will offer Intuit's perspective based on more than a decade of cloud computing and software-as-a-service (SaaS) experience.

The presentation will begin at 6 a.m. Pacific time and will be available via audio webcast on Intuit's Web site at <http://investors.intuit.com/events.cfm>. A replay of the webcast will be available approximately 24 hours after the presentation ends.

### About Intuit Inc.

Intuit Inc. is a leading provider of business and financial management solutions for small and mid-sized businesses; financial institutions, including banks and credit unions; consumers and accounting professionals. Its flagship products and services, including QuickBooks(R), Quicken(R) and TurboTax(R), simplify small business management and payroll processing, personal finance, and tax preparation and filing. ProSeries(R) and Lacerte(R) are Intuit's leading tax preparation offerings for professional accountants. Intuit Financial Services helps banks and credit unions grow by providing on-demand solutions and services that make it easier for consumers and businesses to manage their money.

Founded in 1983, Intuit had annual revenue of \$3.1 billion in its fiscal year 2009. The company has approximately 7,800 employees with major offices in the United States, Canada, the United Kingdom, India and other locations. More information can be found at [www.intuit.com](http://www.intuit.com).
