

## Intuit Inc. Trade Association Federal Lobbying Dues

Made between August 2023 - July 2024

Intuit is a dues-paying member of various trade associations that are organized under section 501(c)(6) of the Internal Revenue Code. These organizations help Intuit to further our public policy goals and desired business outcomes. Beginning in FY15 on an annual basis, Intuit publicly publishes a list of 501(c)(6) organizations to which we make dues payments through our Global Corporate Affairs and Public Policy function. Intuit also inquired with these organizations to understand what portions of our dues payments are used for lobbying or political contributions by these 501(c)(6) trade associations. If the trade associations can gather this information, it is included in our disclosed list.
