January 31, 2008

Intuit to Announce Second-Quarter Results on Feb. 21

MOUNTAIN VIEW, Calif.--(BUSINESS WIRE)--

Intuit Inc. (Nasdaq:INTU) announced today that it will release its financial results for its second quarter of fiscal year 2008 on Feb. 21 following the close of market. At the same time, the company will issue the first of three updates on season-to-date sales of consumer tax products.

Intuit will host a conference call at 1:30 p.m. Pacific to discuss the financial results. To attend the conference call, dial 866-802-4328 in the United States or 703-639-1322 from international locations. No reservation or access code is needed. There also will be an audio webcast of Intuit's conference call at 1:30 p.m. Pacific available at http://www.intuit.com/about_intuit/investors/webcast.jhtml. Prepared remarks for the call will be available on Intuit's Web site after the call ends.

Intuit's press release will be available at http://www.intuit.com/about_intuit/press_room/ following the close of market on Feb. 21.

A replay of the audio webcast will remain on Intuit's Web site for one week after the conference call. A replay of the conference call will also be available for one week and can be accessed by calling 888-266-2081, or 703-925-2533 from international locations. The access code for this call is 1194071.

About Intuit

Intuit Inc. is a leading provider of business and financial management solutions for small and mid-sized businesses; financial institutions, including banks and credit unions; consumers and accounting professionals. Its flagship products and services, including QuickBooks(R), Quicken(R) and TurboTax(R) software, simplify small business management and payroll processing, personal finance, and tax preparation and filing. ProSeries(R) and Lacerte(R) are Intuit's leading tax preparation software suites for professional accountants. The company's financial institutions division, anchored by Digital Insight, provides on-demand banking services to help banks and credit unions serve businesses and consumers with innovative solutions.

Founded in 1983, Intuit had annual revenue of $2.67 billion in its fiscal year 2007. The company has approximately 8,000 employees with major offices in the United States, Canada, the United Kingdom and other locations. More information can be found at www.intuit.com.
