Sales Data and Estimates Used

The unit numbers reported are based on weekly sales reports received by Intuit from its retailers and distributors as well as the number of units sold directly by Intuit. The numbers included in these updates are preliminary and include estimates, including estimates of sales by merchants that do not report their sales to Intuit. Although Intuit takes steps to verify the reliability of the sales data, Intuit believes that errors in the sales reported by its retailers and distributors may impact its reported retail unit numbers on an immaterial basis.
