ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

As to named experts and counsel, Item 5 is inapplicable.

EXPERTS.

The consolidated financial statements and schedules of Intuit Inc. appearing in Intuit's Annual Report (Form 10-K) for the year ended July 31, 1996, have been audited by Ernst & Young LLP, independent auditors, as set forth in their report thereon included therein and incorporated herein by reference. Such consolidated financial statements are incorporated herein by reference in reliance upon such report given upon the authority of such firm as experts in accounting and auditing.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

As permitted by Section 145 of the Delaware General Corporation Law, the Registrant's Certificate of Incorporation includes a provision that eliminates the personal liability of its directors for monetary damages for breach or alleged breach of their duty of care. In addition, as permitted by Section 145 of the Delaware General Corporation Law, the Bylaws of the Registrant provide that: (i) the Registrant is required to indemnify its directors and officers and persons serving in such capacities in other business enterprises (including, for example, subsidiaries of the Registrant) at the Registrant's request, to the fullest extent permitted by Delaware law, including those circumstances in which indemnification would otherwise be discretionary; (ii) the Registrant may, in its discretion, indemnify employees and agents in those circumstances where indemnification is not required by law; (iii) the Registrant is required to advance expenses, as incurred, to its directors and officers in connection with defending a proceeding (except that it is not required to advance expenses to a person against whom the Registrant brings a claim for breach of the duty of loyalty, failure to act in good faith, intentional misconduct, knowing violation of law or deriving an improper personal benefit); (iv) the rights conferred in the Bylaws are not exclusive and the Registrant is authorized to enter into indemnification agreements with its directors, officers and employees; and (v) the Registrant may not retroactively amend the Bylaw provisions in a way that is adverse to such directors, officers and employees.

The Registrant's policy is to enter into indemnity agreements with each of its directors and executive officers that provide the maximum indemnity allowed to directors and executive officers by Section 145 of the Delaware General Corporation Law and the Bylaws, as well as certain additional procedural protections. In addition, the indemnity agreements provide that directors and executive officers will be indemnified to the fullest possible extent not prohibited by law against all expenses (including attorney's fees) and settlement amounts paid or incurred by them in any action or proceeding, including any derivative action by or in the right of the Registrant, on account of their services as directors or executive officers of the Registrant or as directors or officers of any other company or enterprise when they are serving in such capacities at the request of the Registrant. The Registrant will not be obligated pursuant to the agreements to indemnify or advance expenses to an indemnified party with respect to proceedings or claims initiated by the indemnified party and not by way of defense, except with respect to proceedings specifically authorized by the Board of Directors or brought to enforce a right of indemnification under the indemnity agreements, the Registrant's Bylaws or any statute or law. Under the agreements, the Registrant is not obligated to indemnify the indemnified party: (i) for any expenses incurred by the indemnified party with respect to any proceeding instituted by the indemnified party to enforce or interpret the agreement, if a court of competent jurisdiction determines that each of the material assertions made by the indemnified party in such proceeding was not made in good faith or was frivolous; (ii) for any amounts paid in settlement of a proceeding unless the Registrant consents to such settlement; (iii) with respect to any proceeding or claim brought by the Registrant against the indemnified party for willful misconduct, unless a court determines that each of such claims was not made in good faith or was frivolous; (iv) on account of any suit in which judgment is rendered against the indemnified party for an accounting of profits made from the purchase or sale by the indemnified party of securities of the Registrant pursuant to the provisions of Section 16(b) of the Exchange Act and related

laws; (v) on account of the indemnified party's conduct which is finally adjudged to have been knowingly fraudulent or deliberately dishonest, or to constitute willful misconduct or a knowing violation of the law; (vi) on account of any conduct from which the indemnified party derived an improper personal benefit; (vii) on account of conduct the indemnified party believed to be contrary to the best interests of the Registrant or its stockholders; (viii) on account of conduct that constituted a breach of the indemnified party's duty of loyalty to the Registrant or its stockholders; or (ix) if a final decision by a court having jurisdiction in the matter shall determine that such indemnification is not lawful.

The indemnification provision in the Bylaws, and the indemnity agreements entered into between the Registrant and its directors and executive officers, may be sufficiently broad to permit indemnification of the Registrant's officers and directors for liabilities arising under the Securities Act.

2

The indemnity agreements require the Registrant to maintain director and officer liability insurance to the extent readily available. The Registrant currently carries a director and officer insurance policy.

ITEM 9. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the Registration Statement is on Form S-3 or Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions discussed in Item 6 hereof, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereby, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

4

1996 DIRECTORS STOCK OPTION PLAN

As Adopted October 7, 1996

1. PURPOSE. This 1996 Directors Stock Option Plan (this "Plan") is established to provide equity incentives for non-employee members of the Board of Directors of Intuit Inc. (the "Company"), who are described in Section 6.1 below, by granting such persons options to purchase shares of stock of the Company.

2. ADOPTION AND STOCKHOLDER APPROVAL. This Plan will become effective on the date (the "Effective Date") on which it is adopted by the Board of Directors of the Company (the "Board"). This Plan shall be approved by the stockholders of the Company, consistent with applicable laws, within twelve (12) months after the date this Plan is adopted by the Board. Options ("Options") may be granted under this Plan after the Effective Date provided that, in the event that stockholder approval is not obtained within the time period provided herein, this Plan, and all Options granted hereunder, shall terminate. No Option that is issued as a result of any increase in the number of shares authorized to be issued under this Plan shall be exercised prior to the time such increase has been approved by the stockholders of the Company and all such Options granted pursuant to such increase shall similarly terminate if such stockholder approval is not obtained.

3. TYPES OF OPTIONS AND SHARES. Options granted under this Plan shall be non-qualified stock options ("NQSOs"). The shares of stock that may be purchased upon exercise of Options granted under this Plan (the "Shares") are shares of the Common Stock of the Company.

4. NUMBER OF SHARES. The maximum number of Shares that may be issued pursuant to Options granted under this Plan (the "Maximum Number") is 120,000 Shares, subject to adjustment as provided in this Plan. If any Option is terminated for any reason without being exercised in whole or in part, the Shares thereby released from such Option shall be available for purchase under other Options subsequently granted under this Plan. At all times during the term of this Plan, the Company shall reserve and keep available such number of Shares as shall be required to satisfy the requirements of outstanding Options granted under this Plan; provided, however, that if the aggregate number of Shares subject to outstanding Options granted under this Plan plus the aggregate number of Shares previously issued by the Company pursuant to the exercise of Options granted under this Plan equals or exceeds the Maximum Number, then notwithstanding anything herein to the contrary, no further Options may be granted under this Plan until the Maximum Number is increased or the aggregate number of Shares subject to outstanding Options granted under this Plan plus the aggregate number of Shares previously issued by the Company pursuant to the exercise of Options granted under this Plan is less than the Maximum Number.

5. ADMINISTRATION. This Plan shall be administered by the Board or by a committee of not less than two members of the Board appointed to administer this Plan (the "Committee"). As used in this Plan, references to the Committee shall mean either such Committee or the Board if no Committee has been established. The interpretation by the Committee of any of the provisions of this Plan or any Option granted under this Plan shall be final and binding upon the Company and all persons having an interest in any Option or any Shares purchased pursuant to an Option.

6. ELIGIBILITY AND AWARD FORMULA.

6.1 Eligibility. Options shall be granted only to directors of the Company who are not employees of the Company or any Parent, Subsidiary or Affiliate of the Company, as those terms are defined in Section 17 below (each such person referred to as an "Optionee").

6.2 Initial Grant. Each Optionee who on or after the Effective Date is or becomes a member of the Board will automatically be granted an Option for 15,000 Shares (the "Initial Grant") on the later of the date that the Plan is approved by the stockholders of the Company or the date such Optionee first becomes a member of the Board.

1

6.3 Succeeding Grants. On each anniversary of an Initial Grant, if the Optionee then is still a member of the Board and has served continuously as a member of the Board since the date of the Optionee's Initial Grant, the Optionee will automatically be granted an Option for 7,500 Shares (a "Succeeding Grant").

7. TERMS AND CONDITIONS OF OPTIONS. Subject to the following and to Section 6 above:

7.1 Form of Option Grant. Each Option granted under this Plan shall be evidenced by a written Stock Option Grant ("Grant") in such form (which need not be the same for each Optionee) as the Committee shall from time to time approve, which Grant shall comply with and be subject to the terms and conditions of this Plan.

7.2 Vesting. Options granted under this Plan shall be exercisable as they vest. The date an Optionee receives an Initial Grant or a Succeeding Grant is referred to in this Plan as the "Start Date" for such Option. Each Initial Grant and Succeeding Grant will vest as to twenty-five percent (25%) of the Shares upon the first anniversary of the Start Date for such Grant and an additional 2.0833% of the Shares each month thereafter, so long as the Optionee continuously remains a director or a consultant of the Company, until the Option is exercisable with respect to 100% of the Shares.

7.3 Exercise Price. The exercise price of an Option shall be the Fair Market Value (as defined in Section 17.4) of the Shares at the time that the Option is granted.

7.4 Termination of Option. Except as provided below in this Section, each Option shall expire ten (10) years after its Start Date (the "Expiration Date"). The Option shall cease to vest and unvested Options shall expire when the Optionee ceases to be a member of the Board or a consultant of the Company. The date on which the Optionee ceases to be a member of the Board or a consultant of the Company shall be referred to as the "Termination Date." An Option may be exercised after the Termination Date only as set forth below:

(a) Termination Generally. If the Optionee ceases to be a member of the Board or consultant of the Company for any reason except death or disability, then each vested Option (as defined in Section 7.2 of this Plan) then held by such Optionee may be exercised by the Optionee within seven (7) months after the Termination Date, but in no event later than the Expiration Date.

(b) Death or Disability. If the Optionee ceases to be a member of the Board or consultant of the Company because of the death of the Optionee or the disability of the Optionee within the meaning of Section 22(e)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), then each vested Option (as defined in Section 7.2 of this Plan) then held by such Optionee may be exercised by the Optionee (or the Optionee's legal representative) within twelve (12) months after the Termination Date, but in no event later than the Expiration Date.

8. EXERCISE OF OPTIONS.

8.1 Exercise Period. Subject to the provisions of Section 8.5 below, Options shall be exercisable as they vest.

8.2 Notice. Options may be exercised only by delivery to the Company of an exercise agreement in a form approved by the Committee stating the number of Shares being purchased, the restrictions imposed on the Shares and such representations and agreements regarding the Optionee's investment intent and access to information as may be required by the Company to comply with applicable securities laws, together with payment in full of the exercise price for the number of Shares being purchased.

8.3 Payment. Payment for the Shares purchased upon exercise of an Option may be made (a) in cash or by check; (b) by surrender of shares of Common Stock of the Company that have been owned by the Optionee for more than six (6) months (and which have been paid for within the meaning of Securities and Exchange Commission ("SEC") Rule 144 and, if such shares were purchased from the Company by use of a promissory note, such note has been fully paid with respect to such shares) or were obtained by the Optionee in the open public market, having a Fair Market Value equal to the exercise price of the Option; (c) by waiver of compensation due or accrued to the Optionee for services rendered; (d) provided that a public market for the Company's stock exists, through a "same day sale" commitment from the Optionee and a broker-dealer that is a member of the National Association of Securities Dealers (an "NASD Dealer") whereby the Optionee irrevocably elects to exercise the Option and to sell a portion of the Shares so purchased to pay for the exercise price and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the exercise price directly

to the Company; (e) provided that a public market for the Company's stock exists, through a "margin" commitment from the Optionee and an NASD Dealer whereby the Optionee irrevocably elects to exercise the Option and to pledge the Shares so purchased to the NASD Dealer in a margin account as security for a loan from the NASD Dealer in the amount of the exercise price, and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the

exercise price directly to the Company; or (f) by any combination of the foregoing.

8.4 Withholding Taxes. Prior to issuance of the Shares upon exercise of an Option, the Optionee shall pay or make adequate provision for any federal or state withholding obligations of the Company, if applicable.

8.5 Limitations on Exercise. Notwithstanding the exercise periods set forth in the Grant, exercise of an Option shall always be subject to the following limitations:

(a) An Option shall not be exercisable until such time as this Plan (or, in the case of Options granted pursuant to an amendment increasing the number of shares that may be issued pursuant to this Plan, such amendment) has been approved by the stockholders of the Company in accordance with Section 15 below.

(b) An Option shall not be exercisable unless such exercise is in compliance with the Securities Act of 1933, as amended (the "Securities Act") and all applicable state securities laws, as they are in effect on the date of exercise.

(c) The Committee may specify a reasonable minimum number of Shares that may be purchased upon any exercise of an Option, provided that such minimum number will not prevent the Optionee from exercising the full number of Shares as to which the Option is then exercisable.

9. NONTRANSFERABILITY OF OPTIONS. During the lifetime of the Optionee, an Option shall be exercisable only by the Optionee or by the Optionee's guardian or legal representative, unless otherwise permitted by the Committee. No Option may be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution.

10. PRIVILEGES OF STOCK OWNERSHIP. No Optionee shall have any of the rights of a stockholder with respect to any Shares subject to an Option until the Option has been validly exercised. No adjustment shall be made for dividends or distributions or other rights for which the record date is prior to the date of exercise, except as provided in this Plan. The Company shall provide to each Optionee a copy of the annual financial statements of the Company, at such time after the close of each fiscal year of the Company as they are released by the Company to its stockholders.

11. ADJUSTMENT OF OPTION SHARES. In the event that the number of outstanding shares of Common Stock of the Company is changed by a stock dividend, stock split, reverse stock split, combination, reclassification or similar change in the capital structure of the Company without consideration, the number of Shares available under this Plan and the number of Shares subject to outstanding Options and the exercise price per share of such outstanding Options shall be proportionately adjusted, subject to any required action by the Board or stockholders of the Company and compliance with applicable securities laws; provided, however, that no fractional shares shall be issued upon exercise of any Option and any resulting fractions of a Share shall be rounded up to the nearest whole Share.

12. NO OBLIGATION TO CONTINUE AS DIRECTOR. Nothing in this Plan or any Option granted under this Plan shall confer on any Optionee any right to continue as a director of the Company.

13. COMPLIANCE WITH LAWS. The grant of Options and the issuance of Shares upon exercise of any Options shall be subject to and conditioned upon compliance with all applicable requirements of law, including without limitation compliance with the Securities Act, compliance with all other applicable state securities laws and compliance with the requirements of any stock exchange or national market system on which the Shares may be listed. The Company shall be under no obligation to register the Shares with the SEC or to effect compliance with the registration or qualification requirement of any state securities laws, stock exchange or national market system.

14. ACCELERATION OF OPTIONS UPON CERTAIN CORPORATE TRANSACTIONS. In the event of (a) a dissolution or liquidation of the Company, (b) a merger or consolidation in which the Company is not the surviving corporation (other than a merger or consolidation with a wholly-owned subsidiary, a reincorporation of the Company in a different jurisdiction, or other transaction in which there is no substantial change in the stockholders of the Company or their relative

stock holdings and the Options granted under this Plan are assumed or replaced by the successor corporation, which assumption will be binding on all Optionees), (c) a merger in which the Company is the surviving corporation but after which the stockholders of the Company (other than any stockholder which merges (or which owns or controls another corporation which merges) with the Company in such merger) own less than 50% of the shares or other equity interests in the Company, (d) the sale of substantially all of the assets of the Company, or (e) the acquisition, sale or transfer of a majority of the

outstanding shares of the Company by tender offer or similar transaction, the vesting of all options granted pursuant to this Plan will accelerate and the options will become exercisable in full prior to the consummation of such event at such times and on such conditions as the Committee determines, and if such options are not exercised prior to the consummation of the corporate transaction, they shall terminate in accordance with the provisions of this Plan.

15. AMENDMENT OR TERMINATION OF PLAN. The Committee may at any time terminate or amend this Plan (but may not terminate or amend the terms of any outstanding option without the consent of the Optionee); provided, however, that the Committee shall not, without the approval of the stockholders of the Company, increase the total number of Shares available under this Plan (except by operation of the provisions of Sections 4 and 11 above) or change the class of persons eligible to receive Options. In any case, no amendment of this Plan may adversely affect any then outstanding Options or any unexercised portions thereof without the written consent of the Optionee.

16. TERM OF PLAN. Options may be granted pursuant to this Plan from time to time within a period of ten (10) years from the Effective Date.

17. CERTAIN DEFINITIONS. As used in this Plan, the following terms shall have the following meanings:

17.1 "Parent" means any corporation (other than the Company) in an unbroken chain of corporations ending with the Company if each of such corporations other than the Company owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

17.2 "Subsidiary" means any corporation (other than the Company) in an unbroken chain of corporations beginning with the Company if each of the corporations other than the last corporation in the unbroken chain owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.

17.3 "Affiliate" means any corporation that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, another corporation, where "control" (including the terms "controlled by" and "under common control with") means the possession, direct or indirect, of the power to cause the direction of the management and policies of the corporation, whether through the ownership of voting securities, by contract or otherwise.

17.4 "Fair Market Value" means, as of any date, the value of a share of the Company's Common Stock determined as follows:

- (a) if such Common Stock is then quoted on the Nasdaq National Market, its last reported sale price on the Nasdaq National Market or, if no such reported sale takes place on such date, the average of the closing bid and asked prices;
- (b) if such Common Stock is publicly traded and is then listed on a national securities exchange, its last reported sale price or, if no such reported sale takes place on such date, the average of the closing bid and asked prices on the principal national securities exchange on which the Common Stock is listed or admitted to trading;
- (c) if such Common Stock is publicly traded but is not quoted on the Nasdaq National Market nor listed or admitted to trading on a national securities exchange, the average of the closing bid and asked prices on such date, as reported in The Wall Street Journal, for the over-the-counter market; or
- (d) if none of the foregoing is applicable, by the Committee in good faith.

INTUIT INC.

1996 EMPLOYEE STOCK PURCHASE PLAN

As Adopted on October 7, 1996

1. ESTABLISHMENT OF PLAN. Intuit Inc., a Delaware corporation (the "Company"), proposes to grant options for purchase of the Company's Common Stock, \$0.01 par value, to eligible employees of the Company and its Subsidiaries (as hereinafter defined) pursuant to this Employee Stock Purchase Plan (this "Plan"). For purposes of this Plan, "Parent Corporation" and "Subsidiary" (collectively, "Subsidiaries") shall have the same meanings as "parent corporation" and "subsidiary corporation" in Sections 424(e) and 424(f), respectively, of the Internal Revenue Code of 1986, as amended (the "Code"). The Company intends this Plan to qualify as an "employee stock purchase plan" under Section 423 of the Code (including any amendments to or replacements of such Section), and this Plan shall be so construed. Any term not expressly defined in this Plan but defined for purposes of Section 423 of the Code shall have the same definition herein. A total of 300,000 shares of the Company's Common Stock is reserved for issuance under this Plan. Such number shall be subject to adjustments effected in accordance with Section 14 of this Plan.

2. PURPOSE. The purpose of this Plan is to provide employees of the Company, or of any Subsidiary designated by the Board of Directors of the Company (the "Board") as eligible to participate in this Plan, with a convenient means of acquiring an equity interest in the Company through payroll deductions, to enhance such employees' sense of participation in the affairs of the Company and Subsidiaries, and to provide an incentive for continued employment.

3. ADMINISTRATION. This Plan shall be administered by a committee appointed by the Board (the "Committee"). If two or more members of the Board are "Outside Directors" within the meaning of Code Section 162(m), the Committee will be comprised of at least two (2) members of the Board, all of whom are Outside Directors. As used in this Plan, references to the "Committee" shall mean either such committee or the Board if no committee has been established. Subject to the provisions of this Plan and the limitations of Section 423 of the Code or any successor provision in the Code, all questions of interpretation or application of this Plan shall be determined by the Committee and its decisions shall be final and binding upon all participants. Members of the Committee shall receive no compensation for their services in connection with the administration of this Plan, other than standard fees as established from time to time by the Committee for services rendered by Committee members serving on Board committees. All expenses incurred in connection with the administration of this Plan shall be paid by the Company.

4. ELIGIBILITY. Any employee of the Company, or of any Subsidiary designated by the Board as eligible to participate in this Plan) is eligible to participate in an Offering Period (as hereinafter defined) under this Plan except the following:

(a) employees who are not employed by the Company or Subsidiaries fifteen (15) days before the beginning of such Offering Period;

(b) employees who are customarily employed for less than twenty (20) hours per week;

(c) employees who are customarily employed for less than five (5) months in a calendar year;

(d) employees who, together with any other person whose stock would be attributed to such employee pursuant to Section 424(d) of the Code, own stock or hold options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any of its Subsidiaries or who, as a result of being granted an option under this Plan with respect to such Offering Period, would own stock or hold options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any of its Subsidiaries.

5. OFFERING DATES. The offering periods of this Plan (each, an "Offering Period") shall be of six (6) months duration commencing on January 1 and July 1 of each year and ending on June 30 and December 31 of each year. Within such guidelines, the Board shall determine the first day of the initial Offering Period. The first business day of each

fifteen (15) days prior to the scheduled beginning of the first Offering Period to be affected.

6. PARTICIPATION IN THIS PLAN. Eligible employees may become participants in an Offering Period under this Plan on the first Offering Date after satisfying the eligibility requirements by delivering a subscription agreement to the Company not later than fifteen (15) days before such Offering Date unless a later time for filing the subscription agreement authorizing payroll deductions is set by the Committee for all eligible employees with respect to a given Offering Period. An eligible employee who does not deliver a subscription agreement to the Company by such date after becoming eligible to participate in such Offering Period shall not participate in that Offering Period or any subsequent Offering Period unless such employee enrolls in this Plan by filing a subscription agreement with the Company not later than fifteen (15) days preceding a subsequent Offering Date. Once an employee becomes a participant in an Offering Period, such employee will automatically participate in the Offering Period commencing immediately following the last day of the prior Offering Period unless the employee withdraws or is deemed to withdraw from this Plan or terminates further participation in the Offering Period as set forth in Section 11 below. Such participant is not required to file any additional subscription agreement in order to continue participation in this Plan.

7. GRANT OF OPTION ON ENROLLMENT. Enrollment by an eligible employee in this Plan with respect to an Offering Period will constitute the grant (as of the Offering Date) by the Company to such employee of an option to purchase on the Purchase Date up to that number of shares of Common Stock of the Company determined by dividing (a) the amount accumulated in such employee's payroll deduction account during such Offering Period by (b) the lower of (i) eighty-five percent (85%) of the fair market value of a share of the Company's Common Stock on the Offering Date (but in no event less than the par value of a share of the Company's Common Stock), or (ii) eighty-five percent (85%) of the fair market value of a share of the Company's Common Stock on the Purchase Date (but in no event less than the par value of a share of the Company's Common Stock); provided, however, that the number of shares of the Company's Common Stock subject to any option granted pursuant to this Plan shall not exceed the maximum number of shares which may be purchased pursuant to Section 10(b) or 10(c) below with respect to the applicable Offering Period. The fair market value of a share of the Company's Common Stock shall be determined as provided in Section 8 hereof.

8. PURCHASE PRICE. The purchase price per share at which a share of Common Stock will be sold in any Offering Period shall be eighty-five percent (85%) of the lesser of:

- (a) The fair market value on the Offering Date; or
- (b) The fair market value on the Purchase Date;

provided, however, that in no event may the purchase price per share of the Company's Common Stock be below the par value per share of the Company's Common Stock.

For purposes of this Plan, the term "Fair Market Value" means as of any date, the value of a share of the Company's Common Stock determined as follows:

- (a) if such Common Stock is then quoted on the Nasdaq National Market, its last reported sale price on the Nasdaq National Market or, if no such reported sale takes place on such date, the average of the closing bid and asked prices;
- (b) if such Common Stock is publicly traded and is then listed on a national securities exchange, its last reported sale price or, if no such reported sale takes place on such date, the average of the closing bid and asked prices on the principal national securities exchange on which the Common Stock is listed or admitted to trading;
- (c) if such Common Stock is publicly traded but is not quoted on the Nasdaq National Market or listed or admitted to trading on a national securities exchange, the average of the closing bid and asked prices on such date, as reported in The Wall Street Journal, for the over-the-counter market; or
- (d) if none of the foregoing is applicable, by the Board in good faith.

9. PAYMENT OF PURCHASE PRICE; CHANGES IN PAYROLL DEDUCTIONS; ISSUANCE OF SHARES.

(a) The purchase price of the shares is accumulated by regular payroll deductions made during each Offering Period. The deductions are made as a percentage of the participant's compensation in one percent (1%) increments not less than two percent (2%), nor greater than ten percent (10%) or such lower limit set by the Committee. Compensation shall mean base salary. Payroll deductions shall commence on the first payday following the Offering Date and shall continue to the end of the Offering Period unless sooner altered or terminated as provided in this Plan.

(b) A participant may lower (but not increase) the rate of payroll deductions during an Offering Period by filing with the Company a new authorization for payroll deductions, in which case the new rate shall become effective for the next payroll period commencing more than fifteen (15) days after the Company's receipt of the authorization and shall continue for the remainder of the Offering Period unless changed as described below. Such change in the rate of payroll deductions may be made at any time during an Offering Period, but not more than one (1) change may be made effective during any Offering Period. A participant may increase or decrease the rate of payroll deductions for any subsequent Offering Period by filing with the Company a new authorization for payroll deductions not later than fifteen (15) days before the beginning of such Offering Period.

(c) All payroll deductions made for a participant are credited to his or her account under this Plan and are deposited with the general funds of the Company. No interest accrues on the payroll deductions. All payroll deductions received or held by the Company may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.

(d) On each Purchase Date, so long as this Plan remains in effect and provided that the participant has not submitted a signed and completed withdrawal form before that date which notifies the Company that the participant wishes to withdraw from that Offering Period under this Plan and have all payroll deductions accumulated in the account maintained on behalf of the participant as of that date returned to the participant, the Company shall apply the funds then in the participant's account to the purchase of whole shares of Common Stock reserved under the option granted to such participant with respect to the Offering Period to the extent that such option is exercisable on the Purchase Date. The purchase price per share shall be as specified in Section 8 of this Plan. Any cash remaining in a participant's account after such purchase of shares shall be carried forward, without interest, into the next Offering Period; provided, however, that in the event that this Plan has been oversubscribed, all funds not used to purchase shares on the Purchase Date shall be returned to the participant, without interest. No Common Stock shall be purchased on a Purchase Date on behalf of any employee whose participation in this Plan has terminated prior to such Purchase Date.

(e) As promptly as practicable after the Purchase Date, the Company shall issue shares for the participant's benefit representing the shares purchased upon exercise of his or her option.

(f) During a participant's lifetime, such participant's option to purchase shares hereunder is exercisable only by him or her. The participant will have no interest or voting right in shares covered by his or her option until such option has been exercised. Shares issued for the benefit of a participant under this Plan will be issued in the name of the participant or in the name of the participant and his or her spouse.

10. LIMITATIONS ON SHARES TO BE PURCHASED.

(a) No participant shall be entitled to purchase stock under this Plan at a rate which, when aggregated with his or her rights to purchase stock under all other employee stock purchase plans of the Company or any Subsidiary, exceeds \$25,000 in fair market value, determined as of the Offering Date (or such other limit as may be imposed by the Code) for each calendar year in which the employee participates in this Plan.

(b) No more than two hundred percent (200%) of the number of shares determined by using eighty-five percent (85%) of the fair market value of a share of the Company's Common Stock on the Offering Date as the denominator may be purchased by a participant on any single Purchase Date.

(c) No participant shall be entitled to purchase more than the Maximum Share Amount (as defined below) on any single Purchase Date. Not less than thirty (30) days prior to the commencement of any Offering Period, the Committee

may, in its sole discretion, set a maximum number of shares which may be purchased by any employee at any single Purchase Date (hereinafter the "Maximum Share Amount"). In no event shall the Maximum Share Amount exceed the amounts permitted under Section 10(b) above. If a new Maximum Share Amount is set, then all participants must be notified of such Maximum Share Amount not less than

fifteen (15) days prior to the commencement of the next Offering Period. Once the Maximum Share Amount is set, it shall continue to apply with respect to all succeeding Offering Periods unless revised by the Committee as set forth above.

(d) If the number of shares to be purchased on a Purchase Date by all employees participating in this Plan exceeds the number of shares then available for issuance under this Plan, then the Company will make a pro rata allocation of the remaining shares in as uniform a manner as shall be reasonably practicable and as the Committee shall determine to be equitable. In such event, the Company shall give written notice of such reduction of the number of shares to be purchased under a participant's option to each participant affected thereby.

(e) Any payroll deductions accumulated in a participant's account which are not used to purchase stock due to the limitations in this Section 10 shall be returned to the participant as soon as practicable after the end of the applicable Offering Period, without interest.

11. WITHDRAWAL.

(a) Each participant may withdraw from an Offering Period under this Plan by signing and delivering to the Company a written notice to that effect on a form provided for such purpose. Such withdrawal may be elected at any time at least fifteen (15) days prior to the end of an Offering Period.

(b) Upon withdrawal from this Plan, the accumulated payroll deductions shall be returned to the withdrawn participant, without interest, and his or her interest in this Plan shall terminate. In the event a participant voluntarily elects to withdraw from this Plan, he or she may not resume his or her participation in this Plan during the same Offering Period, but he or she may participate in any Offering Period under this Plan which commences on a date subsequent to such withdrawal by filing a new authorization for payroll deductions in the same manner as set forth above for initial participation in this Plan.

12. TERMINATION OF EMPLOYMENT. Termination of a participant's employment for any reason, including retirement, death or the failure of a participant to remain an eligible employee, immediately terminates his or her participation in this Plan. In such event, the payroll deductions credited to the participant's account will be returned to him or her or, in the case of his or her death, to his or her legal representative, without interest. For purposes of this Section 12, an employee will not be deemed to have terminated employment or failed to remain in the continuous employ of the Company in the case of sick leave, military leave, or any other leave of absence approved by the Committee; provided that such leave is for a period of not more than ninety (90) days or reemployment upon the expiration of such leave is guaranteed by contract or statute.

13. RETURN OF PAYROLL DEDUCTIONS. In the event a participant's interest in this Plan is terminated by withdrawal, termination of employment or otherwise, or in the event this Plan is terminated by the Board, the Company shall promptly deliver to the participant all payroll deductions credited to such participant's account. No interest shall accrue on the payroll deductions of a participant in this Plan.

14. CAPITAL CHANGES. Subject to any required action by the stockholders of the Company, the number of shares of Common Stock covered by each option under this Plan which has not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under this Plan but have not yet been placed under option (collectively, the "Reserves"), as well as the price per share of Common Stock covered by each option under this Plan which has not yet been exercised, shall be proportionately adjusted for any increase or decrease in the number of issued and outstanding shares of Common Stock of the Company resulting from a stock split or the payment of a stock dividend (but only on the Common Stock) or any other increase or decrease in the number of issued and outstanding shares of Common Stock effected without receipt of any consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration"; and provided further, that the price per share of Common Stock shall not be reduced below its par value per share. Such adjustment shall be made by the Board, whose determination shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect,

and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

In the event of the proposed dissolution or liquidation of the Company, the Offering Period will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Board. The Board may, in the exercise of its sole discretion in such instances, declare that the options under this Plan shall terminate as of a date fixed by the Board and give each

participant the right to exercise his or her option as to all of the optioned stock, including shares which would not otherwise be exercisable. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger or consolidation of the Company with or into another corporation, each option under this Plan shall be assumed or an equivalent option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, that the participant shall have the right to exercise the option as to all of the optioned stock. If the Board makes an option exercisable in lieu of assumption or substitution in the event of a merger, consolidation or sale of assets, the Board shall notify the participant that the option shall be fully exercisable for a period of twenty (20) days from the date of such notice, and the option will terminate upon the expiration of such period.

The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per share of Common Stock covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of shares of its outstanding Common Stock, or in the event of the Company being consolidated with or merged into any other corporation; provided, that the price per share of Common Stock shall not be reduced below its par value per share.

15. NONASSIGNABILITY. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under this Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 22 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be void and without effect.

16. REPORTS. Individual accounts will be maintained for each participant in this Plan. Each participant shall receive promptly after the end of each Offering Period a report of his or her account setting forth the total payroll deductions accumulated, the number of shares purchased, the per share price thereof and the remaining cash balance, if any, carried forward to the next Offering Period.

17. NOTICE OF DISPOSITION. Each participant shall notify the Company if the participant disposes of any of the shares purchased in any Offering Period pursuant to this Plan if such disposition occurs within two (2) years from the Offering Date or within one (1) year from the Purchase Date on which such shares were purchased (the "Notice Period"). Unless such participant is disposing of any of such shares during the Notice Period, such participant shall keep the certificates issued to him or her that represent shares purchased hereunder in his or her name (and not in the name of a nominee) during the Notice Period. The Company may, at any time during the Notice Period, place a legend or legends on any certificate representing shares acquired pursuant to this Plan requesting the Company's transfer agent to notify the Company of any transfer of the shares. The obligation of the participant to provide such notice shall continue notwithstanding the placement of any such legend on the certificates.

18. NO RIGHTS TO CONTINUED EMPLOYMENT. Neither this Plan nor the grant of any option hereunder shall confer any right on any employee to remain in the employ of the Company or any Subsidiary, or restrict the right of the Company or any Subsidiary to terminate such employee's employment.

19. EQUAL RIGHTS AND PRIVILEGES. All eligible employees shall have equal rights and privileges with respect to this Plan so that this Plan qualifies as an "employee stock purchase plan" within the meaning of Section 423 or any successor provision of the Code and the related regulations. Any provision of this Plan which is inconsistent with Section 423 or any successor provision of the Code shall, without further act or amendment by the Company or the Board, be reformed to comply with the requirements of Section 423. This Section 19 shall take precedence over all other provisions in this Plan.

20. NOTICES. All notices or other communications by a participant to the Company under or in connection with this Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

5

21. TERM; STOCKHOLDER APPROVAL. This Plan shall become effective on the date that it is adopted by the Board. This Plan shall be approved by the stockholders of the Company, in any manner permitted by applicable corporate law, within twelve (12) months before or after the date this Plan is adopted by the Board. No purchase of shares pursuant to this Plan shall occur prior to such stockholder approval. This Plan shall continue until the earlier to occur of (a) termination of this Plan by the Board (which termination may be effected by the Board at any time), (b) issuance of all of the shares of Common Stock reserved for issuance under this Plan, or (c) ten (10) years from the adoption of this Plan by the Board.

22. DESIGNATION OF BENEFICIARY.

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under this Plan in the event of such participant's death subsequent to the end of an Offering Period but prior to delivery to him of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under this Plan in the event of such participant's death prior to a Purchase Date.

(b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under this Plan who is living at the time of such participant's death, the Company shall deliver such shares or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

23. CONDITIONS UPON ISSUANCE OF SHARES; LIMITATION ON SALE OF SHARES.

Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder, and the requirements of any stock exchange or automated quotation system upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

24. APPLICABLE LAW. The Plan shall be governed by the substantive laws (excluding the conflict of laws rules) of the State of California.

25. AMENDMENT OR TERMINATION OF THIS PLAN. The Board may at any time amend, terminate or extend the term of this Plan, except that any such termination cannot affect options previously granted under this Plan, nor may any amendment make any change in an option previously granted which would adversely affect the right of any participant, nor may any amendment be made without approval of the stockholders of the Company obtained in accordance with Section 21 hereof within twelve (12) months of the adoption of such amendment (or earlier if required by Section 21) if such amendment would:

(a) increase the number of shares that may be issued under this Plan;

(b) change the designation of the employees (or class of employees) eligible for participation in this Plan; or

(c) constitute an amendment for which stockholder approval is required by any stock exchange or automated quotation system upon which the shares may then be listed.
