**ITEM 8.01 OTHER EVENTS**

In December 2007, Scott D. Cook, founder, board member and Chairman of the Executive Committee of Intuit Inc. (“Intuit”), adopted a stock trading plan on behalf of his family trust to sell up to 2,000,000 shares of Intuit common stock and contribute up to 400,000 additional shares to the Scott Cook and Signe Ostby Charitable Foundation beginning in February 2008 and continuing through December 2008. Subject to the terms and conditions of this plan, Mr. Cook’s family trust will sell 500,000 shares and contribute 100,000 shares to the charitable foundation each quarter.

The Scott Cook and Signe Ostby Charitable Foundation also adopted a stock trading plan in December 2007 to sell the 400,000 shares of Intuit stock contributed by Mr. Cook’s family trust during the same period.

Each of these plans is intended to satisfy the requirements of Rule 10b5-1 of the Exchange Act and each was adopted in accordance with Intuit’s policies regarding securities transactions. Rule 10b5-1 permits individuals who are not in possession of material, non-public information at the time the plan is adopted to establish pre-arranged plans to buy or sell company stock.

Transactions under these plans will be disclosed publicly through Form 4 filings with the Securities and Exchange Commission, to the extent required by law.

---

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Intuit Inc.
