ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE

The following documents of the Registrant filed with the Securities and Exchange Commission (the “Commission”) are incorporated herein by reference:

- (a) The Registrant’s Annual Report on Form 10-K for the fiscal year ended July 31, 2008;
- (b) All other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the Registrant’s Annual Report referred to in (a) above; and
- (c) The Registrant’s Registration Statement on Form 8-A filed with the Commission on February 4, 1993 pursuant to Section 12(g) of the Exchange Act, in which there is described the terms, rights and provisions applicable to the Registrant’s Common Stock.

ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Laura A. Fennell, Esq., Senior Vice President, General Counsel and Corporate Secretary of Intuit, will pass upon the validity of the issuance of the shares of Common Stock offered by this Registration Statement. As of November 30, 2008, Ms. Fennell held 9,798 shares of Intuit’s common stock, options to purchase 305,000 shares of Common Stock (of which 225,275 shares are exercisable within the next 60 days), and 47,545 restricted stock units (3,045 of which are vested or will vest in the next 60 days).

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

As permitted by Section 145 of the Delaware General Corporation Law, the Registrant’s Certificate of Incorporation includes a provision that eliminates the personal liability of its directors for monetary damages for breach or alleged breach of their duty of care. In addition, as permitted by Section 145 of the Delaware General Corporation Law, the Registrant’s Bylaws provide that:

- the Registrant is required to indemnify its directors and officers and persons serving in such capacities in other business enterprises (including, for example, subsidiaries of Intuit) at the request of the Registrant, to the fullest extent permitted by Delaware law, including those circumstances in which indemnification would otherwise be discretionary;
- the Registrant may, in its discretion, indemnify employees and agents in those circumstances where indemnification is not required by law;
- the Registrant is required to advance expenses, as incurred, to its directors and officers in connection with defending a proceeding (except that it is not required to advance expenses to a person against whom the Registrant brings a claim for breach of the duty of loyalty, failure to act in good faith, intentional misconduct, knowing violation of law or deriving an improper personal benefit);
- the rights conferred in the Registrant’s Bylaws are not exclusive, and the Registrant is authorized to enter into indemnification agreements with its directors, officers and employees; and
- the Registrant may not retroactively amend the Registrant’s Bylaw provisions in a way that is adverse to such directors, officers and employees.

The Registrant’s policy is to enter into indemnity agreements with each of its and its subsidiaries’ directors and officers. The agreements provide that the Registrant will indemnify its directors and officers under Section 145 of the Delaware General Corporation Law and the Registrant’s Bylaws. In addition, the indemnity agreements provide that the Registrant will advance expenses (including attorney’s fees) and settlement amounts paid or incurred by the directors and officers in any action or proceeding, including any derivative action by or in the right of the Registrant, on account of their services as directors or officers of the Registrant or as directors or officers of any other company or enterprise when they are serving in such capacities at the request of the Registrant. The Registrant will not be obligated pursuant to the agreements to indemnify or advance expenses to an indemnified party with respect

Table of Contents

to proceedings or claims initiated by the indemnified party and not by way of defense, except with respect to proceedings specifically authorized by the Registrant's Board of Directors or brought to enforce a right to indemnification under the indemnity agreement, the Registrant's Bylaws or any statute or law. Under the agreements, the Registrant is not obligated to indemnify the indemnified party:

- for any expenses incurred by the indemnified party with respect to any proceeding instituted by the indemnified party to enforce or interpret the agreement, if a court of competent jurisdiction determines that each of the material assertions made by the indemnified party in such proceeding was not made in good faith or was frivolous;
- for any amounts paid in settlement of a proceeding unless the Registrant consents to such settlement;
- with respect to any proceeding brought by the Registrant against the indemnified party for willful misconduct, unless a court determines that each of such claims was not made in good faith or was frivolous;
- on account of any suit in which judgment is rendered against the indemnified party for an accounting of profits made from the purchase or sale by the indemnified party of securities of the Registrant pursuant to the provisions of Section 16(b) of the Exchange Act and related laws;
- on account of the indemnified party's conduct which is finally adjudged to have been knowingly fraudulent or deliberately dishonest, or to constitute willful misconduct or a knowing violation of the law; or
- if a final decision by a court having jurisdiction in the matter shall determine that such indemnification is not lawful.

The indemnification provision in the Registrant's Bylaws, and the indemnity agreements entered into between the Registrant and its directors and executive officers, may be sufficiently broad to permit indemnification of the Registrant's officers and directors for liabilities arising under the Securities Act.

The indemnity agreements with the Registrant's officers and directors require the Registrant to maintain director and officer liability insurance to the extent reasonably available. The Registrant currently maintains a director and officer liability insurance policy.

ITEM 9. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 and Section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to applicable indemnification provisions, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereby, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Mountain View, State of California, on December 17, 2008.

[INTUIT INC. LETTERHEAD]

December 17, 2008

Securities and Exchange Commission
100 F Street NE
Washington, D.C. 20549

Subject: Intuit Inc.

Ladies and Gentlemen:

This opinion is provided in connection with a Form S-8 Registration Statement (the "Registration Statement") being filed by Intuit Inc. (the "Company") on or about December 17, 2008. The Registration Statement relates to the registration of 10,000,000 shares of the Company's Common Stock, par value \$0.01 per share (the "Shares"). The Shares have been reserved for issuance under the Company's 2005 Equity Incentive Plan, as adopted on December 9, 2004 and amended on December 16, 2005, December 15, 2006, December 14, 2007, and December 16, 2008 (the "Plan").

For purposes of this opinion, I have examined copies of (i) the Registration Statement, (ii) the Company's Certificate of Incorporation, as amended to date, (iii) the Company's Bylaws, as amended to date, (iv) the Plan, and (v) resolutions of the Board of Directors and records of the Annual Meeting of Stockholders of the Company relating to adoption and approval of the Plan. In rendering the opinion expressed herein, I have assumed the genuineness of all signatures, the authenticity of all documents, instruments and certificates purporting to be originals, the conformity with the original documents, instruments and certificates of all documents, instruments and certificates purporting to be copies, and the legal capacity to sign of all individuals executing documents, instruments and certificates. I have also assumed that all Shares will be issued pursuant to the Plan for a purchase price of not less than \$0.01 per share.

Based upon and subject to the foregoing and the effectiveness of the Registration Statement, I am of the opinion that the Shares that may be issued by the Company pursuant to the Plan, when issued and paid for in accordance with the Plan, will be legally issued, fully paid and non-assessable.

I hereby consent to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, I do not admit thereby that I come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the Securities and Exchange Commission.

Very truly yours,

/s/ LAURA A. FENNELL

Laura A. Fennell
Senior Vice President, General Counsel and Corporate Secretary
Intuit Inc.

San Jose, California

INTUIT INC.
2005 EQUITY INCENTIVE PLAN
(As amended on December 16, 2008)

1. PURPOSE. The purpose of the Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of the Company, its Parent or Subsidiaries by offering them an opportunity to participate in the Company's future performance through awards of Options, Restricted Stock, Stock Bonuses, Stock Appreciation Rights (SARs) and Restricted Stock Units. Capitalized terms not defined in the text are defined in Section 26.

2. SHARES SUBJECT TO THE PLAN.

2.1 Number of Shares Available. Subject to Sections 2.2 and 21, 56,000,000 Shares are available for grant and issuance under the Plan. Shares that are subject to: (a) issuance upon exercise of an Option or SAR granted under this Plan but cease to be subject to the Option or SAR for any reason other than exercise of the Option; (b) an Award granted under this Plan but are forfeited or are repurchased by the Company at the original issue price; or (c) an Award granted under this Plan that otherwise terminates without Shares being issued, will return to the pool of Shares available for grant and issuance under this Plan. In any fiscal year of the Company no more than fifty percent (50%) of the Shares subject to Awards granted in such fiscal year may have an Exercise Price or Purchase Price per Share that is less than Fair Market Value on the applicable date of grant. In order that ISOs may be granted under this Plan, no more than 56,000,000 shares shall be issued as ISOs. The Company may issue Shares which are authorized but unissued or treasury shares pursuant to the Awards granted under this Plan. At all times the Company will reserve and keep available a sufficient number of Shares to satisfy the requirements of all outstanding Options and SARs granted under the Plan and all other outstanding but unvested Awards granted under the Plan.

2.2 Adjustment of Shares. If the number of outstanding Shares is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification, extraordinary dividend of cash or stock or similar change in the capital structure of the Company, without consideration, then (a) the number of Shares reserved for issuance under the Plan and the limits that are set forth in Section 2.1; (b) the Exercise Prices of and number of Shares subject to outstanding Options and SARs; (c) the number of Shares subject to other outstanding Awards; (d) the 4,000,000 and 6,000,000 maximum number of shares that may be issued to an individual in any one calendar year set forth in Section 3; and (e) the number of Shares that are granted as Options to Non-Employee Directors as set forth in Section 10, will be proportionately adjusted, subject to any required action by the Board or the stockholders of the Company and compliance with applicable securities laws; provided that fractions of a Share will not be issued but will either be replaced by a cash payment equal to the Fair Market Value of such fraction of a Share or will be rounded up to the nearest whole Share, as determined by the Committee; and provided further that the Exercise Price of any Option may not be decreased to below the par value of the Shares.

3. ELIGIBILITY. ISOs may be granted only to employees (including officers and directors who are also employees) of the Company or of a Parent or Subsidiary. All other Awards may be granted to employees (including officers and directors who are also employees), non-employee directors and consultants of the Company or any Parent or Subsidiary; provided that such consultants, contractors and advisors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. The Committee (or its designee under 4.1(c)) will from time to time determine and designate among the eligible persons who will be granted one or more Awards under the Plan. A person may be granted more than one Award under the Plan. However, no person will be eligible to receive more than 4,000,000 Shares issuable under Awards granted in any calendar year, other than new employees of the Company or of a Parent or Subsidiary (including new employees who are also officers and directors of the Company or any Parent or Subsidiary), who are eligible to receive up to a maximum of 6,000,000 Shares issuable under Awards granted in the calendar year in which they commence their employment.

4. ADMINISTRATION.

4.1 Committee Authority. The Plan shall be administered by the Committee or by the Board acting as the Committee. Except for automatic grants to Non-Employee Directors pursuant to Section 10 hereof, and subject to the general purposes, terms and conditions of the Plan, the Committee will have full power to implement and carry out the Plan. Without limiting the previous sentence, the Committee will have the authority to:

- (a) construe and interpret the Plan, any Award Agreement and any other agreement or document executed pursuant to the Plan;
- (b) prescribe, amend and rescind rules and regulations relating to the Plan or any Award, including determining the subplans, forms and agreements used in connection with the Plan; provided that the Committee may delegate to the President, the Chief Financial Officer or the officer in charge of Human Resources, in consultation with the General Counsel, the authority to approve revisions to the forms and agreements used in connection with the Plan that are designed to facilitate Plan administration both domestically and abroad, and that are not inconsistent with the Plan or with any resolutions of the Committee relating to the Plan;
- (c) select persons to receive Awards; provided that the Committee may delegate to one or more Executive Officers (who would also be considered “officers” under Delaware law) the authority to grant an Award under the Plan to Participants who are not Insiders;
- (d) determine the terms of Awards;
- (e) determine the number of Shares or other consideration subject to Awards;
- (f) determine whether Awards will be granted singly, in combination, or in tandem with, in replacement of, or as alternatives to, other Awards under the Plan or any other incentive or compensation plan of the Company or any Parent or Subsidiary;
- (g) grant waivers of Plan or Award conditions;
- (h) determine the vesting, exercisability, transferability, and payment of Awards;
- (i) correct any defect, supply any omission, or reconcile any inconsistency in the Plan, any Award or any Award Agreement;
- (j) determine whether an Award has been earned;
- (k) amend the Plan; or
- (l) make all other determinations necessary or advisable for the administration of the Plan.

4.2 Committee Interpretation and Discretion. Except for automatic grants to Non-Employee Directors pursuant to Section 10 hereof, any determination made by the Committee with respect to any Award shall be made in its sole discretion at the time of grant of the Award or, unless in contravention of any express term of the Plan or Award, at any later time, and such determination shall be final and binding on the Company and all persons having an interest in any Award under the Plan. Any dispute regarding the interpretation of the Plan or any Award Agreement shall be submitted by the Participant or Company to the Committee for review. The resolution of such a dispute by the Committee shall be final and binding on the Company and Participant. The Committee may delegate to one or more Executive Officers, the authority to review and resolve disputes with respect to Awards held by Participants who are not Insiders, and such resolution shall be final and binding on the Company and Participant. Notwithstanding any provision of the Plan to the contrary, administration of the Plan shall at all times be limited by

the requirement that any administrative action or exercise of discretion shall be void (or suitably modified when possible) if necessary to avoid the application to any Participant of immediate taxation and/or tax penalties under Section 409A of the Code.

5. OPTIONS. The Committee may grant Options to eligible persons and will determine (a) whether the Options will be ISOs or NQSOs; (b) the number of Shares subject to the Option, (c) the Exercise Price of the Option, (d) the period during which the Option may be exercised, and (e) all other terms and conditions of the Option, subject to the provisions of this Section 5 and the Plan. Options granted to Non-Employee Directors pursuant to Section 10 hereof shall be governed by that Section.

5.1 Form of Option Grant. Each Option granted under the Plan will be evidenced by a Stock Option Agreement that will expressly identify the Option as an ISO or NQSO. Except as otherwise required by the terms of Options to Non-Employee Directors as provided in the terms of Section 10 hereof, the Stock Option Agreement will be substantially in a form and contain such provisions (which need not be the same for each Participant) that the Committee or an officer of the Company (pursuant to Section 4.1(b)) has from time to time approved, and will comply with and be subject to the terms and conditions of the Plan.

5.2 Date of Grant. The date of grant of an Option will be the date on which the Committee makes the determination to grant the Option, unless a later date is otherwise specified by the Committee. The Stock Option Agreement, and a copy of the Plan and the current Prospectus for the Plan (plus any additional documents required to be delivered under applicable laws), will be delivered to the Participant within a reasonable time after the Option is granted. The Stock Option Agreement, Plan, the Prospectus and other documents may be delivered in any manner (including electronic distribution or posting) that meets applicable legal requirements.

5.3 Exercise Period and Expiration Date. An Option will be exercisable within the times or upon the occurrence of events determined by the Committee and set forth in the Stock Option Agreement governing such Option, subject to the provisions of Section 5.6, and subject to Company policies established by the Committee (or by individuals to whom the Committee has delegated responsibility) from time to time with respect to vesting during leaves of absences. The Stock Option Agreement shall set forth the last date that the Option may be exercised (the "Expiration Date"); provided that no Option will be exercisable after the expiration of seven years from the date the Option is granted; and provided further that no ISO granted to a Ten Percent Stockholder will be exercisable after the expiration of five years from the date the Option is granted. The Committee also may provide for Options to become exercisable at one time or from time to time, periodically or otherwise (including, without limitation, upon the attainment during a Performance Period of performance goals based on Performance Factors), in such number of Shares or percentage of Shares subject to the Option as the Committee determines.

5.4 Exercise Price. The Exercise Price of an Option will be determined by the Committee when the Option is granted and, subject to the limit of Section 2.1, may not be less than 100% of Fair Market Value on the date of grant); provided in addition, that the Exercise Price of any ISO granted to a Ten Percent Stockholder will not be less than 110% of the Fair Market Value of the Shares on the date of grant; provided, however, that the Exercise Price with respect to an Option that is granted in connection with a merger or other acquisition as a substitute or replacement award for options held by optionees of the acquired entity may be less than 100% of the Fair Market Value of the Shares on the date such Option is granted if such Exercise Price is based on a formula set forth in the terms of the options held by such optionees or in the terms of the agreement providing for such merger or other acquisition. Payment for the Shares purchased must be made in accordance with Section 11 of the Plan and the Stock Option Agreement.

5.5 Procedures for Exercise. A Participant or Authorized Transferee may exercise Options by following the procedures established by the Company's Stock Administration Department, as communicated and made available to Participants through the stock pages on the Intuit Legal Department intranet web site, and/or through the Company's electronic mail system.

5.6 Termination.

(a) Vesting. Any Option granted to a Participant will cease to vest on the Participant's Termination Date, if the Participant is Terminated for any reason other than "total disability" (as defined in this Section 5.6(a)) or death. Any Option granted to a Participant who is an employee who has been actively employed by the Company or any Subsidiary for one year or more or who is a director, will vest as to 100% of the Shares subject to such Option, if the Participant is Terminated due to "total disability" or death. For purposes of this Section 5.6(a), "total disability" shall mean: (i) (A) for so long as such definition is used for purposes of the Company's group life insurance and accidental death and dismemberment plan or group long term disability plan, that the Participant is unable to perform each of the material duties of any gainful occupation for which the Participant is or becomes reasonably fitted by training, education or experience and which total disability is in fact preventing the Participant from engaging in any employment or occupation for wage or profit; or, (B) if such definition has changed, such other definition of "total disability" as determined under the Company's group life insurance and accidental death and dismemberment plan or group long term disability plan; and (ii) the Company shall have received from the Participant's primary physician a certification that the Participant's total disability is likely to be permanent. Any Option held by an employee who is Terminated by the Company, or any Subsidiary or Parent within one year following the date of a Corporate Transaction, will immediately vest as to such number of Shares as the Participant would have been vested in twelve months after the date of Termination had the Participant remained employed for that twelve month period.

(b) Post-Termination Exercise Period. Following a Participant's Termination, the Participant's Option may be exercised to the extent vested as set forth in Section 5.6(a):

(i) no later than 90 days after the Termination Date if a Participant is Terminated for any reason except death or Disability, unless a longer time period, not exceeding five years, is specifically set forth in the Participant's Stock Option Agreement; provided that no Option may be exercised after the Expiration Date of the Option; or

(ii) no later than (A) twelve months after the Termination Date in the case of Termination due to Disability or (B) eighteen months after the Termination Date in the case of Termination due to death or if a Participant dies within three months of the Termination Date, unless a longer time period, not exceeding five years, is specifically set forth in the Participant's Stock Option Agreement; provided that no Option may be exercised after the Expiration Date of the Option.

5.7 Limitations on Exercise. The Committee may specify a reasonable minimum number of Shares that may be purchased on any exercise of an Option; provided that the minimum number will not prevent a Participant from exercising an Option for the full number of Shares for which it is then exercisable.

5.8 Limitations on ISOs. The aggregate Fair Market Value (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under the Plan or under any other incentive stock option plan of the Company or any Parent or Subsidiary) shall not exceed \$100,000. If the Fair Market Value of Shares on the date of grant with respect to which ISOs are exercisable for the first time by a Participant during any calendar year exceeds \$100,000, the Options for the first \$100,000 worth of Shares to become exercisable in that calendar year will be ISOs, and the Options for the Shares with a Fair Market Value in excess of \$100,000 that become exercisable in that calendar year will be NQSOs. If the Code is amended to provide for a different limit on the Fair Market Value of Shares permitted to be subject to ISOs, such different limit shall be automatically incorporated into the Plan and will apply to any Options granted after the effective date of the Code's amendment.

5.9 Notice of Disqualifying Dispositions of Shares Acquired on Exercise of an ISO. If a Participant sells or otherwise disposes of any Shares acquired pursuant to the exercise of an ISO on or before the later of (a) the date two years after the Date of Grant, and (b) the date one year after the exercise of the ISO (in either case, a "Disqualifying Disposition"), the Company may require the Participant to immediately notify the Company in writing of such Disqualifying Disposition.

5.10 Modification, Extension or Renewal. The Committee may modify, extend or renew outstanding Options and authorize the grant of new Options in substitution therefor; provided that any such action may not, without the written consent of Participant, impair any of Participant's rights under any Option previously granted; and provided, further that without stockholder approval, the modified, extended, renewed or new Option may not have a lower Exercise Price than the outstanding Option. Any outstanding ISO that is modified, extended, renewed or otherwise altered shall be treated in accordance with Section 424(h) of the Code. The Committee may reduce the Exercise Price of outstanding Options without the consent of Participants affected, by a written notice to them; provided, however, that unless prior stockholder approval is secured, the Exercise Price may not be reduced below that of the outstanding Option.

5.11 No Disqualification. Notwithstanding any other provision in the Plan, no term of the Plan relating to ISOs will be interpreted, amended or altered, and no discretion or authority granted under the Plan will be exercised, so as to disqualify the Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any ISO under Section 422 of the Code.

6. RESTRICTED STOCK AWARDS.

6.1 Awards of Restricted Stock. A Restricted Stock Award is an offer by the Company to sell to an eligible person Shares that are subject to restrictions. The Committee will determine to whom an offer will be made, the number of Shares the person may purchase, the Purchase Price, the restrictions under which the Shares will be subject and all other terms and conditions of the Restricted Stock Award, subject to the following:

6.2 Restricted Stock Purchase Agreement. All purchases under a Restricted Stock Award will be evidenced by a Restricted Stock Purchase Agreement, which will be in substantially a form (which need not be the same for each Participant) that the Committee or an officer of the Company (pursuant to Section 4.1(b)) has from time to time approved, and will comply with and be subject to the terms and conditions of the Plan. A Participant accepts a Restricted Stock Award by signing and delivering to the Company a Restricted Stock Purchase Agreement with full payment of the Purchase Price, within thirty days from the date the Restricted Stock Purchase Agreement was delivered to the Participant. If the Participant does not accept the Restricted Stock Award within thirty days, then the offer of the Restricted Stock Award will terminate, unless the Committee determines otherwise.

6.3 Purchase Price. The Purchase Price for a Restricted Stock Award will be determined by the Committee and, subject to the limit of Section 2.1, may be less than Fair Market Value (but not less than the par value of the Shares) on the date the Restricted Stock Award is granted. Payment of the Purchase Price must be made in accordance with Section 11 of the Plan and the Restricted Stock Purchase Agreement, and in accordance with any procedures established by the Company's Stock Administration Department, as communicated and made available to Participants through the stock pages on the Intuit Legal Department intranet web site, and/or through the Company's electronic mail system.

6.4 Terms of Restricted Stock Awards. Restricted Stock Awards will be subject to such restrictions as the Committee may impose. These restrictions may be based on completion of a specified number of years of service with the Company or upon completion of the performance goals based on Performance Factors during any Performance Period as set out in advance in the Participant's Restricted Stock Purchase Agreement. Prior to the grant of a Restricted Stock Award, the Committee shall: (a) determine the nature, length and starting date of any Performance Period for the Restricted Stock Award; (b) select from among the Performance Factors to be used to measure performance goals, if any; and (c) determine the number of Shares that may be awarded to the Participant. Prior to the payment for Shares to be purchased under any Restricted Stock Award, the Committee shall determine the extent to which such Restricted Stock Award has been earned. Performance Periods may overlap and a Participant may participate simultaneously with respect to Restricted Stock Awards that are subject to different Performance Periods and having different performance goals and other criteria.

6.5 Termination During Performance Period. If a Participant is Terminated during a Performance Period or vesting period, for any reason, then such Participant will be entitled to payment (whether in Shares, cash or otherwise) with respect to the Restricted Stock Award only to the extent earned as of the date of

Termination in accordance with the Restricted Stock Purchase Agreement, unless the Committee will determine otherwise.

7. STOCK BONUS AWARDS.

7.1 Awards of Stock Bonuses. A Stock Bonus Award is an award to an eligible person of Shares (which may consist of Restricted Stock or Restricted Stock Units) for services to be rendered or for past services already rendered to the Company or any Parent or Subsidiary. All Stock Bonus Awards shall be made pursuant to a Stock Bonus Agreement, which shall be in substantially a form (which need not be the same for each Participant) that the Committee or an officer of the Company (pursuant to Section 4.1(b)) has from time to time approved, and will comply with and be subject to the terms and conditions of the Plan. No payment will be required for Shares awarded pursuant to a Stock Bonus Award, but the number of Shares awarded is subject to the limit of Section 2.1.

7.2 Terms of Stock Bonus Awards. The Committee will determine the number of Shares to be awarded to the Participant under a Stock Bonus Award and any restrictions thereon. These restrictions may be based upon completion of a specified number of years of service with the Company or upon satisfaction of performance goals based on Performance Factors during any Performance Period as set out in advance in the Participant's Stock Bonus Agreement. If the Stock Bonus Award is to be earned upon the satisfaction of performance goals, the Committee shall: (a) determine the nature, length and starting date of any Performance Period for the Stock Bonus Award; (b) select from among the Performance Factors to be used to measure performance goals; and (c) determine the number of Shares that may be awarded to the Participant. Prior to the issuance of any Shares or other payment to a Participant pursuant to a Stock Bonus Award, the Committee will determine the extent to which the Stock Bonus Award has been earned. Performance Periods may overlap and a Participant may participate simultaneously with respect to Stock Bonus Awards that are subject to different Performance Periods and different performance goals and other criteria. The number of Shares may be fixed or may vary in accordance with such performance goals and criteria as may be determined by the Committee. The Committee may adjust the performance goals applicable to a Stock Bonus Award to take into account changes in law and accounting or tax rules and to make such adjustments as the Committee deems necessary or appropriate to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships.

7.3 Form of Payment to Participant. The Committee will determine whether the earned portion of a Stock Bonus Award will be paid to the Participant currently or on a deferred basis with such interest or dividend equivalent, if any, as the Committee may determine. To the extent permissible under law, the Committee may also permit a Participant to defer payment under a Stock Bonus Award to a date or dates after the Stock Bonus Award is earned provided that the terms of the Stock Bonus Award and any deferral satisfy the requirements of Section 409A of the Code and provided further that payout shall not be deferred beyond March 15 of the year following the year of vesting unless a deferral election in compliance with Section 409A of the Code has been made. Payment may be made in the form of cash, whole Shares, or a combination thereof, based on the Fair Market Value of the Shares earned under a Stock Bonus Award on the date of payment, and in either a lump sum payment or in installments.

7.4 Termination of Participant. In the event of a Participant's Termination during a Performance Period or vesting period, for any reason, then such Participant will be entitled to payment (whether in Shares, cash or otherwise) with respect to the Stock Bonus Award only to the extent earned as of the date of Termination in accordance with the Stock Bonus Agreement, unless the Committee determines otherwise.

8. STOCK APPRECIATION RIGHTS.

8.1 Awards of SARs. A Stock Appreciation Right ("SAR") is an award to an eligible person that may be settled in cash, or Shares (which may consist of Restricted Stock), having a value equal to the value determined by multiplying the difference between the Fair Market Value on the date of exercise over the Exercise Price and the number of Shares with respect to which the SAR is being settled. The SAR may be granted for services to be rendered or for past services already rendered to the Company, or any Parent or Subsidiary. All SARs

shall be made pursuant to a SAR Agreement, which shall be in substantially a form (which need not be the same for each Participant) that the Committee or an officer of the Company (pursuant to Section 4.1(b)) has from time to time approved, and will comply with and be subject to the terms and conditions of this Plan.

8.2 Terms of SARs. The Committee will determine the terms of a SAR including, without limitation: (a) the number of Shares deemed subject to the SAR; (b) the Exercise Price and the time or times during which the SAR may be settled; (c) the consideration to be distributed on settlement of the SAR; and (d) the effect on each SAR of the Participant's Termination. The Exercise Price of the SAR will be determined by the Committee when the SAR is granted and, subject to the limit of Section 2.1, may not be less than 100% of Fair Market Value. A SAR may be awarded upon satisfaction of such performance goals based on Performance Factors during any Performance Period as are set out in advance in the Participant's individual SAR Agreement. If the SAR is being earned upon the satisfaction of performance goals, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for each SAR; and (y) select from among the Performance Factors to be used to measure the performance, if any. Prior to settlement of any SAR earned upon the satisfaction of performance goals pursuant to a SAR Agreement, the Committee shall determine the extent to which such SAR has been earned. Performance Periods may overlap and Participants may participate simultaneously with respect to SARs that are subject to different performance goals and other criteria. The Exercise Price of an outstanding SAR may not be reduced without stockholder approval.

8.3 Exercise Period and Expiration Date. A SAR will be exercisable within the times or upon the occurrence of events determined by the Committee and set forth in the SAR Agreement governing such SAR. The SAR Agreement shall set forth the last date that the SAR may be exercised (the "Expiration Date"); provided that no SAR will be exercisable after the expiration of seven years from the date the SAR is granted. The Committee may also provide for SARs to become exercisable at one time or from time to time, periodically or otherwise (including, without limitation, upon the attainment during a Performance Period of performance goals based on Performance Factors), in such number of Shares or percentage of the Shares subject to the SAR as the Committee determines.

8.4 Form and Timing of Settlement. Payment may be made in the form of cash or whole Shares or a combination thereof.

9. RESTRICTED STOCK UNITS

9.1 Awards of Restricted Stock Units. A Restricted Stock Unit ("RSU") is an award to an eligible person covering a number of Shares that may be settled in cash, or by issuance of those Shares (which may consist of Restricted Stock) for services to be rendered or for past services already rendered to the Company or any Parent or Subsidiary. The Committee may authorize the issuance of RSUs to certain eligible persons who elect to defer cash compensation. All RSUs shall be made pursuant to a RSU Agreement, which shall be in substantially a form (which need not be the same for each Participant) that the Committee or an officer of the Company (pursuant to Section 4.1(b)) has from time to time approved, and will comply with and be subject to the terms and conditions of the Plan (including the limit set forth in Section 2.1).

9.2 Terms of RSUs. The Committee will determine the terms of a RSU including, without limitation: (a) the number of Shares deemed subject to the RSU; (b) the time or times during which the RSU may be exercised; (c) the consideration to be distributed on settlement, and the effect on each RSU of the Participant's Termination. A RSU may be awarded upon satisfaction of such performance goals based on Performance Factors during any Performance Period as are set out in advance in the Participant's individual RSU Agreement. If the RSU is being earned upon satisfaction of performance goals, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for the RSU; (y) select from among the Performance Factors to be used to measure the performance, if any; and (z) determine the number of Shares deemed subject to the RSU. Prior to settlement of any RSU earned upon the satisfaction of performance goals pursuant to a RSU Agreement, the Committee shall determine the extent to which such RSU has been earned. Performance Periods may overlap and participants may participate simultaneously with respect to RSUs that are subject to different Performance Periods and different performance goals and other criteria. The number of Shares may be fixed or may vary in accordance with such performance goals and criteria as may be determined by the Committee. The Committee may adjust the

performance goals applicable to the RSUs to take into account changes in law and accounting and to make such adjustments as the Committee deems necessary or appropriate to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships.

9.3 Form and Timing of Settlement. The portion of a RSU being settled may be paid currently or on a deferred basis with such interest or dividend equivalent, if any, as the Committee determines. To the extent permissible under law, the Committee may also permit a Participant to defer payment under a RSU to a date or dates after the RSU is earned provided that the terms of the RSU and any deferral satisfy the requirements of Section 409A of the Code and provided further that payout shall not be deferred beyond March 15 of the year following the year of vesting unless a deferral election in compliance with Section 409A of the Code has been made. Payment may be made in the form of cash or whole Shares or a combination thereof, either in a lump sum payment or in installments, all as the Committee determines.

10. AUTOMATIC GRANTS TO NON-EMPLOYEE DIRECTORS.

10.1 Eligibility. Non-Employee Directors are eligible for options granted pursuant to this Section 10.

10.2 Initial Grant. Each Non-Employee Director will automatically be granted an Option for 67,500 Shares on the date such Non-Employee Director first becomes a member of the Board. If a Non-Employee Director was previously an employee of the Company and did not receive an Option pursuant to the immediately preceding sentence, he or she will automatically be granted an Option for 67,500 Shares on the later of (i) the first regularly scheduled option grant date for employees after the Non-Employee Director is no longer employed by the Company; or (ii) the first regularly scheduled option grant date for employees after December 31, 2008. Each Option granted pursuant to this Section 10.2 shall be called an "Initial Grant".

10.3 Succeeding Grant. On each anniversary of an Initial Grant under this Plan (or under the Company's 1996 Directors Stock Option Plan) each Non-Employee Director who has served continuously as a member of the Board during that period will automatically be granted an Option for 22,500 Shares. Each Option granted pursuant to this Section 10.3 shall be called a "Succeeding Grant".

10.4 Committee Grants. Each Non-Employee Director who is appointed a new member of any Board Committee will automatically be granted an initial Option for 7,500 Shares on the date he or she is appointed to such Board Committee. On each anniversary of that appointment date, if the Non-Employee Director is a member of such Board Committee and has been in continuous service on such Board Committee since such grant, the Non-Employee Director will automatically be granted an Option for 7,500 Shares. Each Option granted pursuant to this Section 10.4 shall be called a "Committee Grant". If a Non-Employee Director is appointed Chairperson of a Board Committee, then each Committee Grant made to the Non-Employee Director during the term of his or her appointment as Chairperson shall be an Option for 10,000 Shares, rather than 7,500 Shares. For avoidance of doubt, a Non-Employee Director shall be granted Committee Grants pursuant to this Section 10.4 for each Board Committee on which he or she serves.

10.5 Vesting and Exercisability

(a) Initial Grants shall become exercisable as they vest as to 25% of the Shares upon the first anniversary of the date such Option is granted and an additional 2.0833% of the shares each month thereafter and become fully vested on the fourth anniversary of the date of grant, so long as the Non-Employee Director continuously remains a director or a consultant of the Company.

(b) Succeeding Grants shall become exercisable as they vest as to 50% of the Shares upon the first anniversary of the date such Option is granted and an additional 4.1666% of the Shares each month thereafter and become fully vested on the second anniversary of the date of grant, so long as the Non-Employee Director continuously remains a director or a consultant of the Company.

(c) Each Committee Grant shall become exercisable as it vests as to 8.333% of the Shares each month following the date of grant and become fully vested on the first anniversary of the date of grant, so long as the Non-Employee Director continuously remains a director or a consultant of the Company.

(d) Any Option granted to a Non-Employee Director will vest as to 100% of the Shares subject to such Option, if the Non-Employee Director ceases to be a member of the Board or a consultant of the Company due to "total disability" or death. For purposes of this Section 10.5(d), "total disability" shall mean: (1) (i) for so long as such definition is used for purposes of the Company's group life insurance and accidental death and dismemberment plan or group long term disability plan, that the Non-Employee Director is unable to perform each of the material duties of any gainful occupation for which the Non-Employee Director is or becomes reasonably fitted by training, education or experience and which total disability is in fact preventing the Non-Employee Director from engaging in any employment or occupation for wage or profit or (ii) if such definition has changed, such other definition of "total disability" as determined under the Company's group life insurance and accidental death and dismemberment plan or group long term disability plan; and (2) the Company shall have received from the Non-Employee Director's primary physician a certification that the Non-Employee Director's total disability is likely to be permanent.

(e) In the event of a Corporate Transaction, the vesting of all Options granted to Non-Employee Directors pursuant to this Section 10 will accelerate and such Options will become exercisable in full prior to the consummation of such event at such time and on such conditions as the Committee determines, and if such Options are not exercised on or prior to the consummation of the corporate transaction, they shall terminate.

10.6 Form of Option Grant. Each Option granted under this Section 10 shall be a NQSO and shall be evidenced by a Non-Employee Director Stock Option Grant Agreement in such form as the Committee shall from time to time approve and which shall comply with and be subject to the terms and conditions of this Plan.

10.7 Exercise Price. The Exercise Price of each Option granted under this Section 10 shall be the Fair Market Value of the Share on the date the Option is granted. The Exercise Price of an outstanding Option may not be reduced without stockholder approval.

10.8 Termination of Option. Except as provided in Section 10.5(e) or this Section 10.8, each Option granted under this Section 10 shall expire seven (7) years after its date of grant. The date on which the Non-Employee Director ceases to be a member of the Board or a consultant of the Company shall be referred to as the "Non-Employee Director Termination Date" for purposes of this Section 10.8. An Option may be exercised after the Non-Employee Director Termination Date only as set forth below:

(a) Termination Generally. If the Non-Employee Director ceases to be a member of the Board or consultant of the Company for any reason except death or Disability, then each Option, to the extent then vested pursuant to Section 10.5 above, then held by such Non-Employee Director may be exercised by the Non-Employee Director within seven months after the Non-Employee Director Termination Date, but in no event later than the Expiration Date.

(b) Death or Disability. If the Non-Employee Director ceases to be a member of the Board or consultant of the Company because of his or her death or Disability, then each Option, to the extent then vested pursuant to Section 10.5 above, then held by such Non-Employee Director may be exercised by the Non-Employee Director or his or her legal representative within twelve months after the Non-Employee Director Termination Date, but in no event later than the Expiration Date.

11. PAYMENT FOR SHARE PURCHASES.

11.1 Payment. Payment for Shares purchased pursuant to the Plan may be made by any of the following methods (or any combination of such methods) that are described in the applicable Award Agreement and that are permitted by law:

- (a) in cash (by check);
- (b) in the case of exercise by the Participant, Participant's guardian or legal representative or the authorized legal representative of Participants' heirs or legatees after Participant's death, by cancellation of indebtedness of the Company to the Participant;
- (c) by surrender of shares of the Company's Common Stock (including Shares otherwise issuable pursuant to the applicable Award);
- (d) in the case of exercise by the Participant, Participant's guardian or legal representative or the authorized legal representative of Participants' heirs or legatees after Participant's death, by waiver of compensation due or accrued to Participant for services rendered;
- (e) by tender of property; or
- (f) with respect only to purchases upon exercise of an Option, and provided that a public market for the Company's stock exists:
 - (1) through a "same day sale" commitment from the Participant or Authorized Transferee and an NASD Dealer meeting the requirements of the Company's "same day sale" procedures and in accordance with law; or
 - (2) through a "margin" commitment from Participant or Authorized Transferee and an NASD Dealer meeting the requirements of the Company's "margin" procedures and in accordance with law.

11.2 Issuance of Shares. Upon payment of the applicable Purchase Price or Exercise Price (or a commitment for payment from the NASD Dealer designated by the Participant or Authorized Transferee in the case of an exercise by means of a "same-day sale" or "margin" commitment), and compliance with other conditions and procedures established by the Company for the purchase of shares, the Company shall issue the Shares registered in the name of Participant or Authorized Transferee (or in the name of the NASD Dealer designated by the Participant or Authorized Transferee in the case of an exercise by means of a "same-day sale" or "margin" commitment) and shall deliver certificates representing the Shares (in physical or electronic form, as appropriate). The Shares may be subject to legends or other restrictions as described in Section 15 of the Plan.

12. WITHHOLDING TAXES.

12.1 Withholding Generally. Whenever Shares are to be issued in satisfaction of Awards granted under the Plan, the Company may require the Participant to remit to the Company an amount sufficient to satisfy federal, state and local withholding tax requirements prior to the delivery of any certificate(s) for the Shares. If a payment in satisfaction of an Award is to be made in cash, the payment will be net of an amount sufficient to satisfy federal, state, and local withholding tax requirements.

12.2 Stock Withholding. When, under applicable tax laws, a Participant incurs tax liability in connection with the exercise or vesting of any Award that is subject to tax withholding and the Participant is obligated to pay the Company the amount required to be withheld, the Committee may, in its sole discretion, allow the Participant to satisfy the minimum withholding tax obligation by electing to have the Company withhold from the Shares to be issued that number of whole Shares having a Fair Market Value equal to the minimum amount required to be withheld, determined on the date that the amount of tax to be withheld is to be determined. All elections by a Participant to have Shares withheld for this purpose shall be made in accordance with the requirements established by the Committee and be in writing in a form acceptable to the Committee.

13. **PRIVILEGES OF STOCK OWNERSHIP**. No Participant or Authorized Transferee will have any rights as a stockholder of the Company with respect to any Shares until the Shares are issued to the Participant or Authorized Transferee. After Shares are issued to the Participant or Authorized Transferee, the Participant or

Authorized Transferee will be a stockholder and have all the rights of a stockholder with respect to the Shares including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if the Shares are Restricted Stock, any new, additional or different securities the Participant or Authorized Transferee may become entitled to receive with respect to the Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the Restricted Stock; provided further, that the Participant or Authorized Transferee will have no right to retain such dividends or distributions with respect to Shares that are repurchased at the Participant's original Exercise Price or Purchase Price pursuant to Section 15.

14. TRANSFERABILITY. No Award and no interest therein, shall be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will or by the laws of descent and distribution, and no Award may be made subject to execution, attachment or similar process; provided, however that with the consent of the Committee a Participant may transfer a NQSO to an Authorized Transferee. Transfers by the Participant for consideration are prohibited. Without such permission by the Committee, a NQSO shall like all other Awards under the Plan be exercisable (a) during a Participant's lifetime only by the Participant or the Participant's guardian or legal representative; and (b) after Participant's death, by the legal representative of the Participant's heirs or legatees.

15. RESTRICTIONS ON SHARES. At the discretion of the Committee, the Company may reserve to itself and/or its assignee(s) in the Award Agreement a right to repurchase all or a portion of a Participant's Shares that are not "Vested" (as defined in the Award Agreement), following the Participant's Termination, at any time within ninety days after the later of (a) the Participant's Termination Date or (b) the date the Participant purchases Shares under the Plan, for cash or cancellation of purchase money indebtedness with respect to Shares, at the Participant's original Exercise Price or Purchase Price; provided that upon assignment of the right to repurchase, the assignee must pay the Company cash equal to the excess of the Fair Market Value of the Shares over the original Purchase Price.

16. CERTIFICATES. All certificates for Shares or other securities delivered under the Plan (whether in physical or electronic form, as appropriate) will be subject to stock transfer orders, legends and other restrictions that the Committee deems necessary or advisable, including without limitation restrictions under any applicable federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system on which the Shares may be listed.

17. ESCROW. To enforce any restrictions on a Participant's Shares, the Committee may require the Participant to deposit all certificates representing Shares, together with stock powers or other transfer instruments approved by the Committee, appropriately endorsed in blank, with the Company or an agent designated by the Company, to hold in escrow until such restrictions have lapsed or terminated, and the Committee may cause a legend or legends referencing such restrictions to be placed on the certificates.

18. SECURITIES LAW AND OTHER REGULATORY COMPLIANCE. An Award shall not be effective unless the Award is in compliance with all applicable state, federal and foreign securities laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system on which the Shares may then be listed, as they are in effect on the date of grant of the Award and also on the date of exercise or other issuance. Notwithstanding any other provision in the Plan, the Company shall have no obligation to issue or deliver certificates for Shares under the Plan prior to (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable, and/or (b) completion of any registration or other qualification of such shares under any state, federal or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable. The Company shall be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any state, federal or foreign securities laws, stock exchange or automated quotation system, and the Company shall have no liability for any inability or failure to do so.

19. NO OBLIGATION TO EMPLOY. Nothing in the Plan or any Award granted under the Plan shall confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or any Parent or Subsidiary or limit in any way the right of the Company or

any Parent or Subsidiary to terminate Participant's employment or other relationship at any time, with or without cause.

20. REPRICING PROHIBITED; EXCHANGE AND BUYOUT OF AWARDS. The repricing of Options or SARs is prohibited without prior stockholder approval. The Committee may, at any time or from time to time, authorize the Company, with prior stockholder approval, in the case of an Option or SAR exchange, and the consent of the respective Participants, to issue new Awards in exchange for the surrender and cancellation of any or all outstanding Awards. The Committee may at any time buy from a Participant an Option previously granted with payment in cash, Shares or other consideration, based on such terms and conditions as the Committee and the Participant shall agree; provided, however, that in no event will an Option with an Exercise Price above the Fair Market Value at the time of such proposed buyout be repurchased.

21. CORPORATE TRANSACTIONS.

21.1 Assumption or Replacement of Awards by Successor. Except as provided for in Section 10.5(e), in the event of a Corporate Transaction any or all outstanding Awards may be assumed or replaced by the successor corporation, which assumption or replacement shall be binding on all Participants. In the alternative, the successor corporation may substitute equivalent Awards or provide substantially similar consideration to Participants as was provided to stockholders (after taking into account the existing provisions of the Awards). The successor corporation may also issue, in place of outstanding Shares of the Company held by the Participant, substantially similar shares or other property subject to repurchase restrictions no less favorable to the Participant. In the event such successor corporation, if any, refuses to assume or replace the Awards, as provided above, pursuant to a Corporate Transaction or if there is no successor corporation due to a dissolution or liquidation of the Company, such Awards shall immediately vest as to 100% of the Shares subject thereto at such time and on such conditions as the Board shall determine and the Awards shall expire at the closing of the transaction or at the time of dissolution or liquidation.

21.2 Other Treatment of Awards. Subject to any greater rights granted to Participants under Section 21.1, in the event of a Corporate Transaction, any outstanding Awards shall be treated as provided in the applicable agreement or plan of merger, consolidation, dissolution, liquidation or sale of assets.

21.3 Assumption of Awards by the Company. The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either (a) granting an Award under the Plan in substitution of such other company's award, or (b) assuming such award as if it had been granted under the Plan if the terms of such assumed award could be applied to an Award granted under the Plan. Such substitution or assumption shall be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under the Plan if the other company had applied the rules of the Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award shall remain unchanged (except that the exercise price and the number and nature of Shares issuable upon exercise of any such option will be adjusted appropriately pursuant to Section 424(a) of the Code). In the event the Company elects to grant a new Option rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price.

Notwithstanding the foregoing, neither the Board nor the Committee shall, without the approval of the stockholders of the Company, amend the Plan in any manner that requires such stockholder approval pursuant to the Code or the regulations promulgated thereunder as such provisions apply to ISO plans or pursuant to the Exchange Act or any rule promulgated thereunder or pursuant to the listing

requirements of the national securities market on which the Shares are listed. In addition, no amendment that is detrimental to a Participant may be made to any outstanding Award without the consent of the Participant.

25. NONEXCLUSIVITY OF THE PLAN; UNFUNDED PLAN. Neither the adoption of the Plan by the Board, the submission of the Plan to the stockholders of the Company for approval, nor any provision of the Plan shall be construed as creating any limitations on the power of the Board to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of stock options and bonuses otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases. The Plan shall be unfunded. Neither the Company nor the Board shall be required to segregate any assets that may at any time be represented by Awards made pursuant to the Plan.
