On January 2, 2003, Intuit Inc. announced that it had hired Robert “Brad” Henske as Senior Vice President and Chief Financial Officer. Henske was formerly CFO for Synopsys, Inc., a supplier of electronic design automation software, where he was responsible for a variety of worldwide financial and administrative functions.

Henske replaces Greg Santora, who announced in August that he would be retiring at the end of the year. Santora will remain with Intuit for a short period of time to ensure a seamless transition.
