**Intuit Names Jeff Weiner to Board of Directors**

**LinkedIn CEO Brings Operational Knowledge and Social Networking Expertise**

**MOUNTAIN VIEW, Calif. – April 26, 2012** – Intuit Inc. (Nasdaq: INTU) announced the appointment of Jeff Weiner, chief executive officer of LinkedIn, to its board of directors, effective today. Weiner’s appointment adds social networking expertise and consumer web and mobile product acumen to the team and brings Intuit’s board membership to nine.

“Jeff Weiner broadens the diverse talents and wide range of experiences of our current directors,” said Brad Smith, Intuit’s president and chief executive officer. “Jeff’s operational experience and first-hand knowledge in building a successful social platform will be a valuable contribution to Intuit’s board.”

Weiner, 42, leads the world’s largest professional network on the Internet. With more than 150 million members worldwide, LinkedIn connects the world’s professionals to make them more productive and successful. LinkedIn has a diversified business model, with revenue from member subscriptions, marketing solutions and hiring solutions. Under his leadership, LinkedIn has expanded its global platform around the world, rapidly grown its membership base and increased its revenue more than six-fold.

“Jeff is leading a company at the forefront of the social world; he has built an outstanding organization with a disciplined and efficient approach that has yielded impressive revenue growth,” said Intuit Chairman Bill Campbell. “His abilities and extraordinary energy will be of great value to our board.”

Weiner joined LinkedIn in 2008 and became CEO in 2009. Previously he was an executive in residence at Accel Partners and Greylock Partners. He also served as executive vice president of Yahoo’s network division and, prior to that, helped build Warner Bros.’ online efforts.

In addition to LinkedIn, Weiner serves on the board of directors for [DonorsChoose.org](http://DonorsChoose.org) and Malaria No More. He holds a bachelor's degree in economics from The Wharton School at the University of Pennsylvania.
